# Welcome to the Nexus Fintech Franchise Network

## **Powered by NexusPay.in – Banking, Travel & Courier Solutions Under One Roof**

In today's fast-growing digital economy, seamless financial services are not just a convenience—they are a necessity. Nexus Fintech Franchise is designed to empower individuals, shop owners and entrepreneurs to start a profitable service centre offering essential financial, banking, courier and digital services to their local community.

With the support of Nexus Group and NexusPay.in, franchise partners can provide services like ATM withdrawals, AEPS banking, domestic money transfer, recharges, utility bill payments, PAN & FASTag services, travel bookings, and even courier/parcel booking through top logistics brands.

Whether you are starting a new business or adding services to an existing shop, Nexus Fintech Franchise ensures multiple income streams, fast onboarding, attractive commissions and a growing customer base from Day 1.
